

# A High School Trigonometry Math Competition

## Local Contest Application Form

**(No Statewide Use License)**

### PURPOSE OF THE CONTEST

- To build an awareness of surveying and mapping as a profession among math high school students, career guidance counselors, and high school math teachers;
- To acquaint high school students with the use and practical applications of mathematics in the surveying professions;
- To promote real world applications of mathematics in high school;
- To honor high school students who have demonstrated their superior skill among classmates at the local, state and national levels.

### SPONSORSHIP APPLICATION

A local sponsor is needed for each participating High School. Only one TRIG-STAR will be allowed per high school per year. The local sponsor must apply to NSPS on this application form and list the name of the High School where the contest will be held. A contest packet will be forwarded by NSPS to the local sponsor. The local sponsor will be responsible for making all the local arrangements. The winner will be eligible to compete in the NSPS National Trig-Star Contest and contest information will be supplied with the contest packet.
