## **TRIG-STAR STATE SPONSOR APPLICATION FORM**

State Sponsorship allows NSPS State Affiliates to sponsor unlimited Trig-Star Competitions under a yearly state site license granted by NSPS. A local sponsor is still needed for each participating high school and will be responsible for the execution of the Trig-Star program, including the administration of the local Trig-Star test, awards, and reporting of results to the State Trig-Star Coordinator.

The State Affiliate is responsible for all State-level awards and will determine the State Trig-Star Coordinator.

The State Trig-Star Coordinator is responsible for communicating with local sponsors and establishing the criteria to determine the overall State Winner. They are also responsible for reporting the State winner to NSPS for eligibility in the National Trig-Star Competition.

Only one Trig-Star competition is allowed per high school per year. A Competition packet will be forwarded by NSPS after a completed application form and payment have been submitted and received (see Sponsorship and Award Order Form).
